NSW Department of Planning

To Whom It May Concern

I am submitting this application for 2 reasons (1) To down grade the bush fire rating from a level 2 to level 1 and (2) To change the cladding on the outside of the building.

Neither of these issues are structural and both relate to the look of the building.

I have been speaking with Justine Leahy from the Coffs Harbour RFS. She has been out to site at 111 Ocean Parade Coffs Harbour to look at the site and is quiet happy to support the down grade.

Justine is happy to give you a letter to support the down grade she just requires you to contact her on 02 6651 6133 justin.leahy@rfs.nsw.gov.au

Item 2 is in regards to the Terracade cladding that is positioned on to various areas of the building. We would like to remove the cladding and replace it with a render and paint finish to match the rest of the building, with the painted to be a similar colour to the original cladding colour.

Please let me know if you need anything else or have any further queries.

Yours sincerely, Jared Hill Project Manager SIMCORP DEVELOPMENTS & CONSTRUCTIONS
