

Request to modify a major project

NSW GOVERNMENT
Department of Planning

Date duly made: 2, 7, 09

Modification No. MP 06-0190 MOD 6

1. Before you lodge

This form is required under section 75W of the *Environmental Planning and Assessment Act 1979* (the Act) in order to request the Minister to modify the Minister's approval to carry out a project or concept plan to which Part 3A of the Act applies.

Before making this request, it is recommended that you first consult with the Department of Planning (the Department) concerning your modification. The Director-General may issue environmental assessment requirements that must be complied with before your request will be considered by the Minister. If the changes proposed by the modification will result in a project that is consistent with the existing approval, the Minister's approval for a modification is not required.

Disclosure Statement

Persons making a request to modify a project or concept plan are required to declare reportable political donations (including donations of or more than \$1,000) made in the previous two years.

Note: For more details about political donations disclosure requirements, including a disclosure form, go to www.planning.nsw.gov.au/donations.

Lodgement

All modification requests must be lodged with the Director-General of the Department of Planning, by courier or mail. An electronic copy should also be e-mailed to the assessment contact officer assigned to the project.

MAP: A map of the site and locality should also be submitted with this request.

4. Details of the original major project or concept plan

Briefly describe what the original approval allows

The Replacement Flows Project (RFP) is a key part of the Western Sydney Recycled Water Initiative.

The project will see the Penrith, St Marys and Quakers Hill sewage treatment plants (STPs) connected by pipes to allow treated wastewater from the three plants to be further treated at a new Advanced Water Treatment Plant (AWTP) at St Marys. The highly treated recycled water will be released into the Hawkesbury-Nepean River below Penrith Weir for the purpose of substituting for up to 18 billion litres of drinking water currently being released each year from Warragamba Dam for environmental flows.

What was the original project application no.?

MP 06_0190

What was the date of the approval?

20 June 2007

What was the original application fee?

\$165,000

Note: Clause 245K of the *Environmental Planning and Assessment Regulation 2000* provides information on calculating the maximum fee for a request for modification.

5. Describe the modification you propose to make to the approval

Describe the proposed modification

Potential impacts to Endangered Ecological Communities and threatened species have been identified as construction of the Replacement Flows Project progresses. Although these impacts have been minor, each impact has required a modification to Condition 2.11. To avoid the need to seek further modifications for minor impacts, Sydney Water requests a modification to Condition 2.11 of the Minister's approval.

Your modification request may need to be accompanied by an Environmental Assessment, including plans. An electronic and hard copy of this document will be required.

ESTIMATED CAPITAL INVESTMENT VALUE

Please indicate the estimated capital investment value (CIV) of the modification to the project approval or concept plan (excluding GST).

\$no change

FULL TIME EQUIVALENT JOBS

Please indicate the number of jobs created by the proposed modification. This should be expressed as a proportion of full time equivalent (FTE) jobs over a full year.

Construction jobs (FTE) no change Operational jobs (FTE) no change

6. Landowner's consent (where required)

As the owner(s) of the above property, I/we consent to this request being made by the proponent:
