

Modification of Project Approval

Section 75W of the *Environmental Planning & Assessment Act 1979*

As delegate of the Minister for Planning, I modify the Project Approval referred to in Schedule 1, subject to the conditions in Schedule 2.

Anthony Witherdin
Director
Modification Assessments

Sydney 21 NOVEMBER 2017

SCHEDULE 1

Project Approval: MP 06_0190 granted by the Minister of Planning on 20 June 2007.

For the following: Construction and operation of the Western Sydney Recycled Water Initiative – Replacement Flows Project, involving the interconnection of three existing sewage treatment plants and treating the available effluent from these plants via a new Advanced Water Treatment Plant (AWTP) to replace the water that is currently released from Warragamba Dam for extraction and river health purposes.

Proponent: Sydney Water Corporation

Consent Authority: Minister for Planning

The Land: Land is described as follows:

- Proposed Advanced Water Treatment Plant (AWTP) within St Marys STP, Links Road, Dunheved Industrial Estate, St Marys (on Lot 1 DP 223888, Lot 1 DP 31910 and Lot 1 DP 803832) within the local government areas of Penrith and Blacktown;
- Tertiary treated effluent to be transferred via a pipeline between Penrith STP, Castlereagh Road, Penrith (Lot 110 DP 774782) to the AWTP at St Marys STP (a distance of eight kilometres) and from Quakers Hill STP on Quakers Road, Quakers Hill (Lot 1 DP 1029672) to the AWTP at St Marys STP (a distance of 12 kilometres) within local government areas of Penrith and Blacktown;
- Replacement flows to be transferred via pipeline between AWTP at St Marys STP to Penrith STP within local government areas of Blacktown and Penrith;
- Concentrate to be transferred via pipeline between AWTP at St Marys STP to Quakers Hill STP within the local government area of Blacktown.
- Concentrate to be transferred from Quakers Hill STP to the Northern Suburbs Ocean Outfall Sewer via an existing

pipeline from the STP to Seven Hills and a new pipeline between Seven Hills and Vineyard Creek at Dundas within the local government areas of Blacktown, Parramatta and Baulkham Hills.

Modification:

MP 06_0190 MOD 8: to allow the Proponent to adopt its certified systems (Environmental Management System (EMS) and Integrated Management System (IMS)) in lieu of an Operational Environmental Management Plan (OEMP) by the insertion of new condition 4.6.

SCHEDULE 2

The above approval is modified as follows:

- (a) Schedule 2 Part 4 is amended by the insertion of the following Condition:

4.6 Notwithstanding Condition 4.5, if an existing environmental management system that is administered by the Proponent and prepared in accordance with the AS/NZS ISO 14000 Environmental Management System (EMS) series, or similar certified system, which addresses and is applicable to this project, then that EMS may be submitted in lieu of the OEMP. Details of the existing EMS must be provided to the Secretary demonstrating its application to this project.

End of Modification
