RE: Aldi Warehouse Project, Beresfield
Project Number: MP 10_0042

I write to object the Aldi Warehouse Project at Beresfield refer Project Number MP 10_0042.

I reside at 20 Weakleys Drive, Beresfield & I am objecting to Aldi's operating 24 hours a day, 7 days a week, 365 days a year. I believe this is unreasonable to subject the residents of the street to additional noise particularly in the late hours of the night & early hours of the morning. Additional noise would be created with forklifts & trucks loading & unloading, stopping & reversing, particularly if reversing beepers have been installed.

Hours of operation should be restricted to more reasonable hours, so that Aldi's operations do not interfere with sleeping residents.

I do not want my personal details to be advertised or made public by any means.

regards

Maxine Ross
