Dear Mr Markham

**Applicant(s)** : Rozelle Bay Pty Ltd (T/as Sydney Boathouse)  
**Site Address** : Lot 29 & 30 James Craig Road ROZELLE  
**Proposal** : 75W MP06\_0210 – Modify approved marina design to increase number of wet berths within licenced area without change to approved vessel storage number (670)

I refer to the above Application, dated 7 August 2014, for Land Owner's Consent to make an Application to Modify a Consent.

Your application has been assessed by reference to Roads and Maritime Services' (RMS) "Obtaining Permission to Lodge Policy". Consent to the lodgement of the DA is granted and must be in accordance with the attached plans prepared by Michael Fountain Architects Pty Ltd, numbered W-101T, dated 4 August 2014 and stamped as approved.

A copy of this letter must be submitted with your DA to the relevant consent authority as evidence of land owner's consent – pursuant to clause 8f of the *Environmental Planning and Assessment Regulations 2000*.

This consent is valid for 12 months from the date of this letter. However, **should the nature, extent or specific location of your proposal change in this time, you must re-apply to RMS** in order to lodge the DA. This consent cannot be transferred to another applicant.

Please be aware that, in granting this consent, RMS is **not endorsing** the proposal **nor approving the development itself**. We are simply **giving permission for you to lodge a DA**. As such, the DA could still be refused, **even if RMS is the consent authority**.

You also need to note that this letter does not, in itself, authorise a person to enter RMS' land or act on any planning permission subsequently granted. Access to, and occupation of, RMS' land must be in accordance with an appropriate tenure arrangement. I would encourage you to contact Roland Reid 9563 8768 to discuss tenure arrangements as soon as possible as this will need to be established **before any construction can commence**.

If you have any questions about this letter, please contact RMS' Development Approvals Officer, Ms Myriam Mendez on 9563 8662.

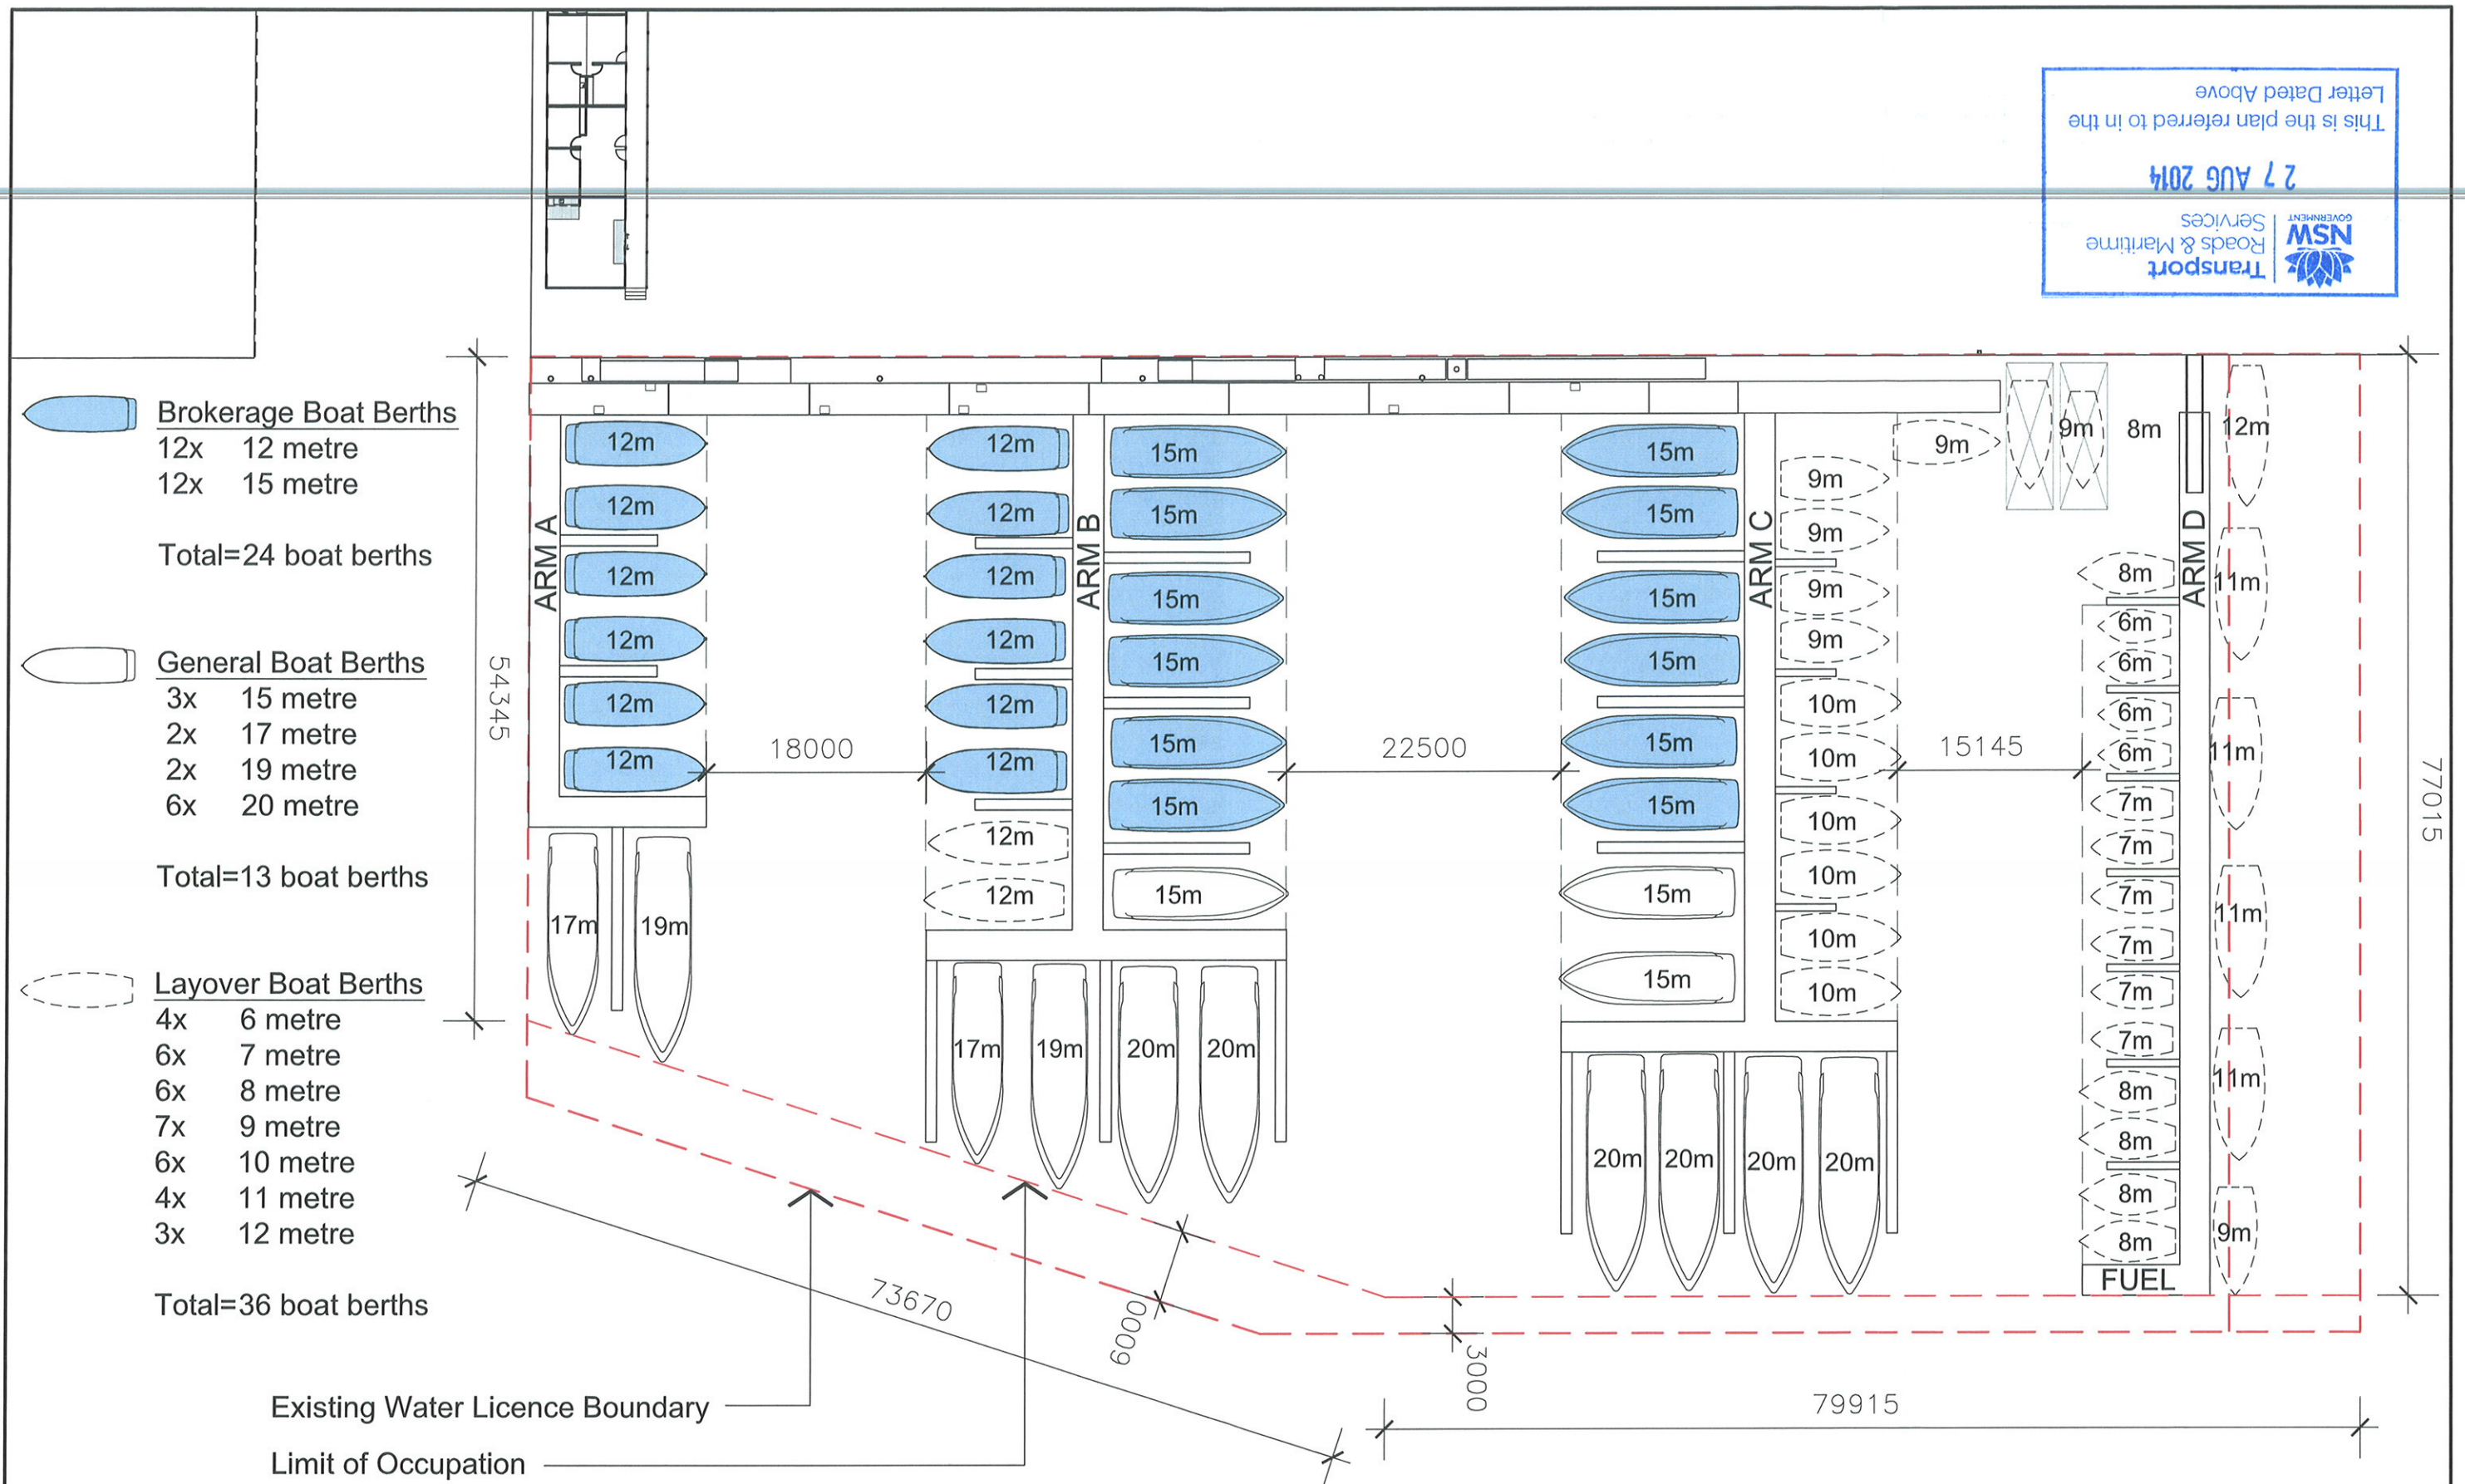

Yours sincerely

Susannah Webb
