Dear Ben,

**Section 75W Modification for Dry Boat Store and Marine Facility, Rozelle Bay
(MP06_0210 MOD 7)**

I refer to your letter dated 2 October 2014, inviting the Port Authority of NSW (Port Authority) to make a submission on the request to modify the above project.

The Port Authority would like to highlight the following:

- Any disturbance of the seabed will require written approval of the Harbour Master, as per clauses 67 or 69 of the *Management of Water and Waterside Lands Regulations – NSW*. Additional information can be found at:
http://www.sydneyports.com.au/projects_and_planning/planning/harbour_masters_approval.
- The Harbour Master is to be consulted regarding the navigation safety and pollution prevention aspects of the proposal.

Don't hesitate to contact me on 9296-4674 or rbennett@sydneyports.com.au.

Yours sincerely,

Ryan Bennett
Senior Planning & Sustainability Manager
