Dear Ms Thornton

**Re: MOD1 Notification – Woy Woy Waste Facility (MP 06\_0230)**

Thank you for the opportunity to provide advice on the above matter. This is a response from NSW Department of Industry – Geological Survey of New South Wales (GSNSW). The Department of Primary Industries (incorporating advice from Agriculture and Fisheries) and the Forestry Corporation of NSW may respond separately.

GSNSW have reviewed the modification request and have no issues regarding the proposed extension of the lapse date as it has no effect on mineral or extractive resources.

Queries regarding the above information, and future requests for advice in relation to this matter, should be directed to the GSNSW Land Use team at [landuse.minerals@industry.nsw.gov.au](mailto:landuse.minerals@industry.nsw.gov.au).

Yours sincerely
