- (c) Schedule 2 Part B – Prior to issue of Construction Certificate, Condition B5 is amended by the insertion of the **bold and underlined** words / numbers and deletion of the ~~struck out~~ words/numbers as follows:

B5 Construction of connection to Nelson Bay Road ~~(at Stage 14)~~

The northern extension of Seaside Boulevard and upgraded intersection with Nelson Bay Road (as identified on the 'Staging and Lot Layout', Sheet 1 of 21, drawing 29850J, prepared by North Point Surveys (NSW Pty Ltd) dated 27/10/2015) **must be fully constructed prior to 31 December 2019 or prior to the release of any subdivision certificate for Stages 18 and 19, whichever occurs first** ~~must be constructed as part of Stage 14.~~ The works (including the new intersection) must be designed and constructed at the cost of the proponent.

The following requirements of the Roads and Traffic Authority (RTA) must be met prior to issue of a construction certificate for these works:

- The proposed new vehicular access to/from Nelson Bay Road shall be designed/constructed with left turn deceleration and acceleration lanes in accordance with the RTA's Road Design Guide, including a provision for on road cyclists and a central median to prevent right turn in and out movements. Intersection lighting shall be provided to Australian Standards;
- Geometric road design shall be in accordance with the RTA Road Design Guide.

Pavement design shall be in accordance with the AUSTROADS Pavement Design Guide;

- The proponent shall enter into a Works Authorisation Deed with the RTA for any works within the Nelson Bay Road reservation. In this regard, the developer is required to submit detailed design plans and all relevant additional information, as may be required by the RTA's Works Authorisation Deed documentation, for each specific change to the State road network for the RTA's assessment and final decision concerning the work;
- The applicant shall obtain a Road Occupancy Licence from the RTA; and,
- Section 138 concurrence under the Roads Act 1993 shall be obtained from the RTA.

Note 1: This condition amends Statement of Commitment no. 31.

Note 2: The conditions of approval do not guarantee the RTA's final consent to the specific road work, traffic control facilities and other structures works on the classified road network. The RTA must provide a final consent for each specific change to the state road network prior to the commencement of any work. Further changes to the intersection design may be required during the detailed design phases, as part of the Works Authorisation Deed (WAD) process. The RTA will not undertake further design reviews until the WAD is executed and RTA fees and charges are paid.

- (d) Schedule 2 Part E – Prior to issue of Subdivision Certificate for Each Stage is amended by the insertion of Condition E23 as follows:

E23 Financial Security for Works (as required by Condition B5)

1. Prior to the issue of any subdivision certificate following the approval of MOD 9 a bank guarantee must be lodged with the Minister for Planning or their delegate for the completion of the approved roadworks to provide a second (northern) connection for the development to/from Nelson Bay Road (as required by Condition B5).
The bank guarantee will:
 - a) be for a minimum amount of 150% of the value of the works contained in the executed Works Authorisation Deed (WAD) issued by the RMS;
 - b) name the Minister for Planning and the Department of Planning and Environment (ABN No. 38 755 709 681) as the relevant beneficiaries; and
 - c) have no expiry date.
2. Bank Guarantee reduction option:
 - a) once a minimum of 50% of the value of the roadworks (as required by Condition B5) have been completed to the satisfaction of RMS and correspondence from the appointed Independent Verifier and a Quantity Surveyor has been submitted to the Department to verify the value of roadworks, the bank guarantee may be changed (subject to the Departments approval) from 150% to 75% of the value of the works contained in the executed WAD issued by RMS; and
 - b) Upon completion of the roadworks (as required by Condition B5), the bank guarantee will be released by the Minister or their delegate within 28 days upon receiving the Notice of Practical Completion issued by RMS for the approved roadworks.
3. If the Proponent fails to obtain a Notice of Practical Completion from the RMS for the approved roadworks (as required by Condition B5), the Minister for Planning or their delegate may call upon the bank guarantee at any time.
4. The bank guarantee will be issued by a financial institution under the supervision of the Australian Prudential Regulatory Authority.

Note 1: All charges for the establishment and operation of the bank guarantee shall be borne by the Proponent.

Note 2: For clarity, in addition to the bank guarantee referred above, the Proponent will provide to the RMS additional security in the amount equivalent to 100% of the estimated cost of works as required by the WAD, which will remain with the RMS for a period of 12 months (defects liability period) after the date RMS issue the Notice of Practical Completion.

Note 3: A Bank Guarantee means an irrevocable and unconditional undertaking:

- a) by an Australian bank which is an eligible financial institution for the purposes of Treasury Circular NSW TC14/01 dated 24 January 2014, as amended, supplemented or substituted from time to time; and
 - b) on terms acceptable to the Minister, in the Minister's absolute discretion, to pay the face value of that undertaking (being such amount as is required under this condition) on demand.
- (e) Schedule 2 Part E – Prior to issue of Subdivision Certificate for Each Stage is amended by the insertion of Condition E24 as follows:

E24 Temporary Emergency Access During Construction of the Northern Intersection

A temporary emergency road must be provided from Seaside Boulevarde to Nelson Bay Road prior to release of a subdivision certificate for Stage 14. The temporary emergency road must comply, as a minimum, with section 4.1.3(3) Fire trails of Planning For Bushfire Protection 2006 and remain operational at all times until the northern intersection has been opened to the public.
