Dear Mr Byrne

Proposed Pylon Sign. Casuarina Town Centre. Tweed Coast Road. Casuarina.

I refer to your email of 13 October 2014 regarding the proposed pylon sign on the corner of Tweed Coast Road and Main Street at Casuarina.

It would appear from the limited information provided that the proposed sign should be considered as a SEPP64 application.

The proposed sign is located adjacent a set of traffic signals. Roads and Maritime Services reserves the right to have the sign removed and/or modified if it prejudices the safety of the travelling public and the operations of the traffic signals.

Roads and Maritime Services would not have any objection in principle to the proposed sign at this time. Concurrence is given subject the above concerns being addressed.

For further information please contact Greg Sciffer, Network and Safety Officer on 0266401300 or email safety.northern@rms.nsw.gov.au who will be pleased to assist.

Yours sincerely

for Peter Lane
