COMPLIANCE

Incident Notification

5. The Proponent must immediately notify the Department and any other relevant agencies immediately after it becomes aware of an incident. The notification must be in writing and identify the development (including the development application number and name) and set out the location and nature of the incident.

Non-Compliance Notification

5B. Within seven days of becoming aware of a non-compliance, the Proponent must notify the Department of the non-compliance. The notification must be in writing and identify the development (including the development application number and name), set out the condition of this consent that the development is non-compliant with, why it does not comply and the reasons for the non-compliance (if known) and what actions have been, or will be, undertaken to address the non-compliance.

Note: A non-compliance which has been notified as an incident does not need to also be notified as a non-compliance.

Compliance Reporting

- The Applicant must provide regular compliance reporting to the Department on the development in accordance with the relevant Compliance Reporting requirements (DPE 2018).
- 15. In Schedule 5, condition 7, delete all words after 'This audit must:', and replace with:
 - (a) be prepared in accordance with the relevant *Independent Audit Post Approval requirements* (DPE 2018);
 - (b) be led and conducted by a suitably qualified, experienced and independent team of experts and include experts in surface water, groundwater and any other fields specified by the Secretary, whose appointment has been endorsed by the Secretary;
 - (c) be carried out in consultation with the relevant agencies;
 - (d) assess whether the development complies with the relevant requirements in this consent, and any strategy, plan or program required under this consent; and
 - (e) recommend appropriate measures or actions to improve the environmental performance of the development and any strategy, plan or program required under this consent.
 - 8. Within 3 months of commencing an Independent Environmental Audit, or unless otherwise agreed by the Secretary, a copy of the audit report must be submitted to the Secretary, and any other NSW agency that requests it, together with a response to any recommendations contained in the audit report, and a timetable for the implementation of the recommendations.

The recommendations of the Independent Environmental Audit must be implemented to the satisfaction of the Secretary.

16. In Appendix 2, delete the first figure and insert the following:
