Date: Thursday, 30 April 2015 4:18:49 PM

Confidentiality Requested: no

Submitted by a Planner: no

Disclosable Political Donation: no

Name: Save Cleifden Caves Association Company
Organisation: Save Cleifden Caves Association (Executive Member)
Govt. Agency: No
Email: campaign@savecleifdencaves.org.au

Address:
PO Box 420

Seven Hills, NSW
1730

Content:
The proposed works in relation to the Cadia Mine will further stress the environment of the Belubula Valley, the water catchment of the Belubula River, and the unique karst environment associated with the Cleifden Caves.

The Cadia Mine was due to cease operation at about this time and a continuation of the operation of the mine is not in the long term interest of the environment or the people of NSW/
