To Whom It May Concern,

My name is Bronwyn Plimer of 197 Brazil Street Broken Hill. This is a written submission in support of the Rasp Project, project application number (07\_0018). As a home owner and resident of Broken Hill I support this proposal as this will create hundreds of jobs for an area of current high unemployment. Further, without the continuation of mining in Broken Hill the area will suffer economic hardship. Broken Hill has always been a mining town and the community needs employment which in turn supports the businesses here.

Regards

Bronwyn Plimer
