LAWRENCE HARGRAVE DRIVE, THIRROUL – SECTION 75W AMENDMENT APPLICATION**

Dear Sir

Reference is made to your letter dated 20 December 2010 regarding the application for a Section 75W amendment to Condition C19 of the development approval (MP07-0032).

The RTA has reviewed your submission. Whilst the RTA has no objection to the amendment, we would like to see specific reference to the changed intersection layout being supported by detailed traffic modelling.

If you have any questions please contact Matthew Lane on 4221 2719.

Yours sincerely
