

Notice of Modification

Section 75W of the *Environmental Planning and Assessment Act 1979*

As delegate of the Minister for Planning and Infrastructure, I modify the project approval referred to in Schedule 1, as set out in Schedule 2.

David Kitto
Director, Mining and Industry Projects
Department of Planning and Infrastructure

Sydney

1 AUGUST

2011

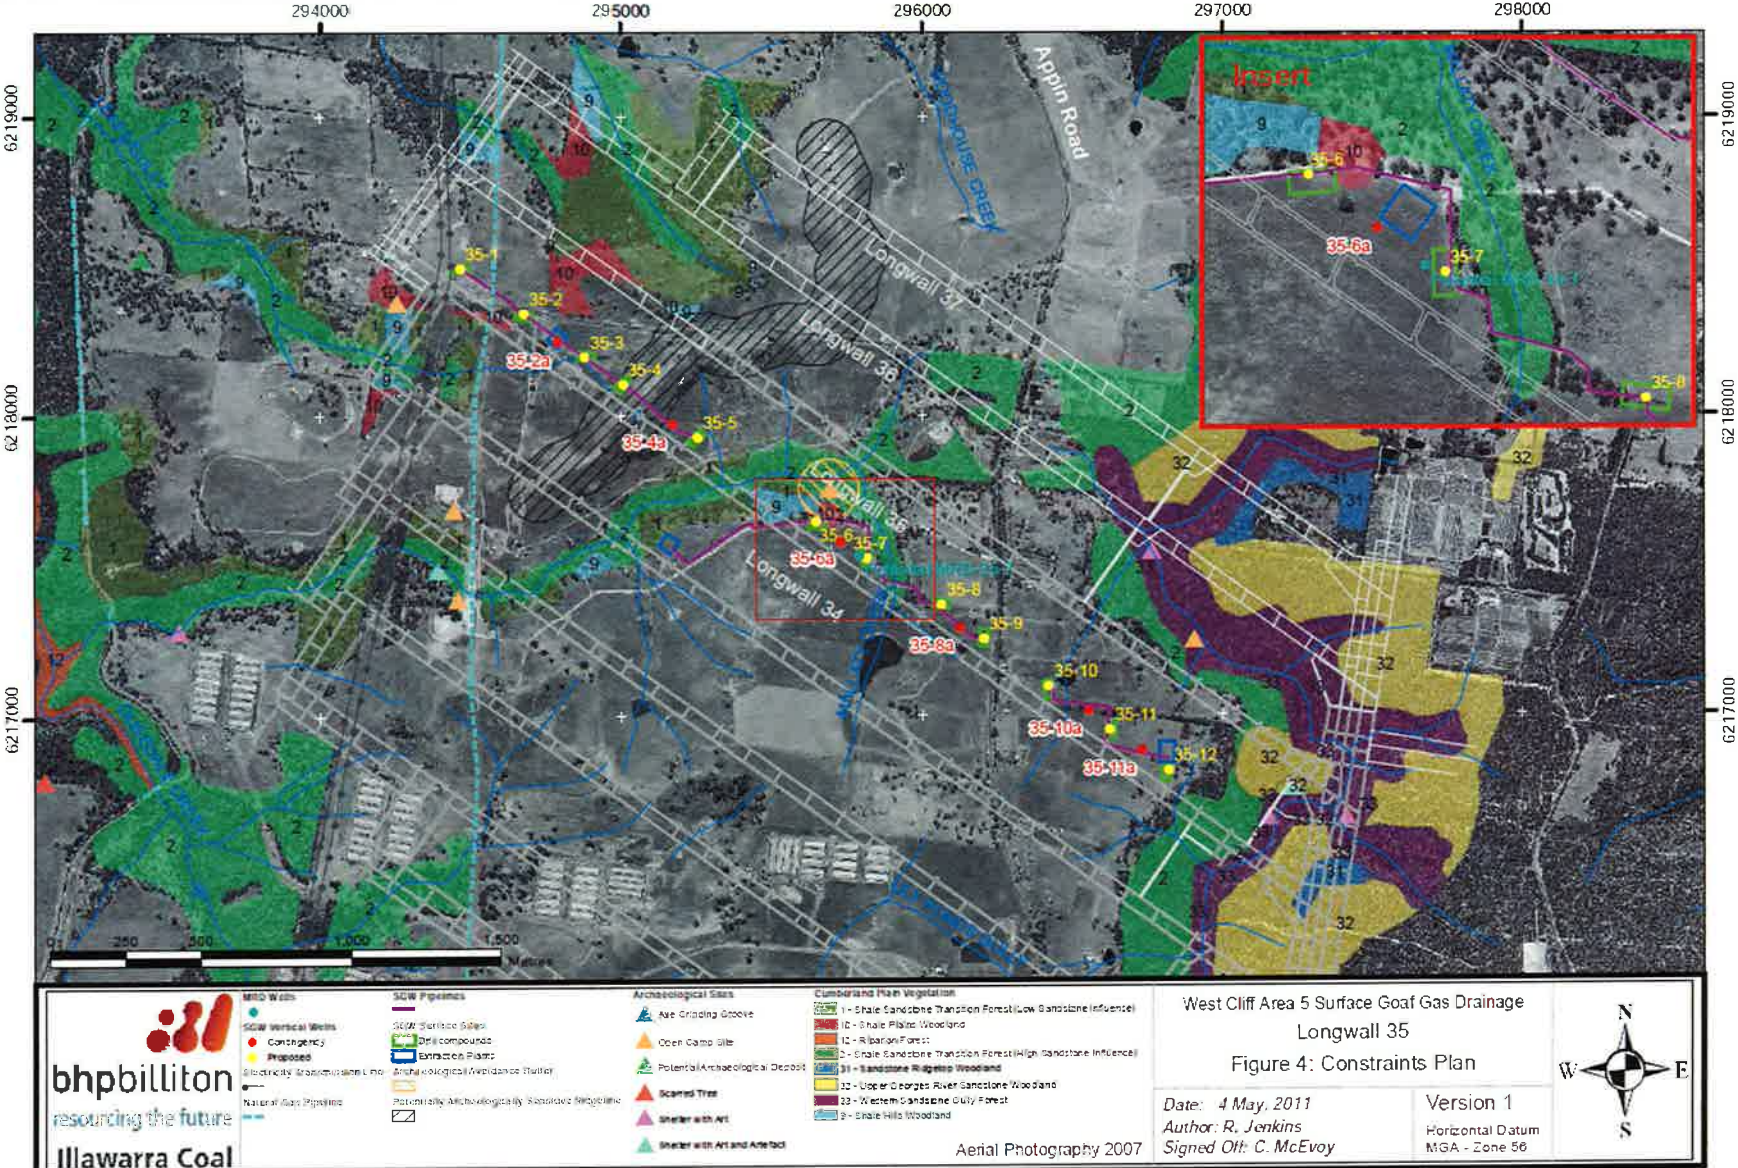

SCHEDULE 1

The project approval for the West Cliff Coal Mine - Surface Goaf Gas Drainage Project (07_0073), granted by the Minister for Planning on 8 December 2008.

SCHEDULE 2

1. In condition 2 of Schedule 2, delete all words after "December 2010;" and insert the following:
 - (vi) the document titled *West Cliff Area 5 Goaf Gas Drainage Project: Environmental Assessment for Longwall 35*, dated May 2011; and
 - (vii) conditions of this approval.
2. Following Appendix 1A, insert the figure below.

APPENDIX 1B – Proposed layout of boreholes for Longwall 35

3. In Appendix 2 – Statement of Commitments, insert the following under the “Air Quality” heading:
 - When appropriate and possible, gas will be flared utilising flaring units, hired from Landfill Management Systems Pty Ltd (LMS). If additional gas is available, additional flare units may be utilised to maximise the abatement of greenhouse gas.
4. In Appendix 2 – Statement of Commitments, insert the following under the “Noise” heading:
 - For gas wells 35-1, 35-8, 35-9, 35-10 and potential MRD 35-7, temporary noise barriers will be erected around drilling compounds during drilling to reduce noise and visual impacts.
