Hi Kane

I've attached a copy of the Council Minutes from 20 November 2012. Please refer to Item 3 of the Officer's Reports.

I've also attached a copy of the Deed of Agreement with Gunlake which clearly states that the roundabout is part of the schedule of works contemplated by the Agreement.

It would be appreciated if you could include a condition in the Modified Consent requiring Gunlake to pay a road maintenance levy in accordance with the latest Council resolution.

As suggested previously, Council is prepared to defend any appeal against this condition. That is, Council would not expect the Department to defend the road maintenance levy.
