**Subject: Bloomfield Coal Project (07\_0087) Section 75W Modification Application**

The NSW Office of Water (NOW) has reviewed the Environmental Assessment for the Bloomfield Coal Modification Application. NOW notes that the existing environmental monitoring programs have been amended where required and that no existing monitoring site will be affected by the modification. NOW has no objection to the modification and requests that any amendments to the Site Water Management Plan are forwarded to NOW for review.

If you require further information please contact Jodie Dabovic on 4904 2571 at the Newcastle office.

Yours sincerely

Mark Mignanelli  
Manager Major Projects and Assessment
