Dear Mr Dumpleton

**Modification to Bloomfield Colliery (07\_0087 Mod 2)**

I refer to your e-mail of 29 November 2011 requesting review and feedback on the modification application for the Bloomfield Colliery.

NSW Trade & Investment Division of Resources and Energy (DRE) has no objections to the extension of time to submit the Mine Closure Plan until 30 June 2012.

If possible, please amend the approval documentation to refer to NSW Trade & Investment Division of Resources and Energy as DRE. This acronym should be used in all future documentation.

Should you have any enquires regarding this matter please contact Tracey Godwin, A/ Principal Adviser, Industry Coordination on (02) 4931 6465.

Yours sincerely

**Adrian Delany**  
A/Director Minerals Operation
