

Modification of Approval

Section 75W of the *Environmental Planning and Assessment Act 1979*

I, the Director, Infrastructure Projects, in accordance with the Instrument of Delegation issued by the Minister for Planning, on 25 January 2010, pursuant to section 75W of the *Environmental Planning and Assessment Act 1979* determine the modification to the approval referred to in Schedule 1 in the manner set out in Schedule 2.

Daniel Keary
Director Infrastructure Projects
as delegate for the Minister for Planning

Sydney, 2010

MP 07_0121 MOD 2

SCHEDULE 1

Project Approval: granted by the Minister for Planning on 1 June 2009 (MP 07_021) as modified by the Director, Infrastructure Projects on 1 April 2010 (MP 07_121 Mod 1).

For the following: Construction and operation of the Camellia and Rosehill Recycled Water Scheme (also known as the Rosehill Recycled Water Scheme). The project involves the construction and operation of the following key components:

1. construction and operation of a recycled water treatment plant (RWTP), pumping station, water storage tanks and other equipment at North Street, Fairfield;
2. a connection to the existing Liverpool to Ashfield pipeline (the source of feed effluent for the recycled water treatment process);
3. a distribution system, including:
 - an elevated storage reservoir at Woodville Golf Course, Barbers Road, Guildford;
 - two surface reservoirs and one pumping station on the south-east corner of Durham Street and Grand Avenue, Rosehill; and
 - a distribution pipeline approximately 20 kilometres long.

Modification: Amendment to condition 1.1 to reflect a modification to reroute a section of the recycled water pipeline from Tangerine Street, Fairfield East to Orchardleigh Street,

Fairfield East and remove the section of pipeline along Woodville Road between Tangerine and Orchardleigh Streets. As a consequence, amendments have also been made to condition 1.2. Amendment is also made to Condition 6.3 c) to include detailed consultation with schools, a childcare centre and church on the proposed new route.

SCHEDULE 2

The approval is modified as follows:

1. Replacing existing condition 1.1 with new condition 1.1 as follows:

- 1.1 The Proponent shall carry out the project generally in accordance with the:
- a) Major Project Application 07_0121;
 - b) Rosehill Recycled Water Scheme, Environmental Assessment, prepared by Parsons Brinckerhoff and dated January 2009;
 - c) Camellia and Rosehill Recycled Water Scheme Preferred Project Report, prepared by Jemena Asset Management and dated 19 March 2009;
 - d) Environmental Assessment of the Modification to the Rosehill Recycled Water Project, prepared by Jemena Asset Management and dated 19 March 2009 and supplementary letter to the Department of Planning from Parsons Brinckerhoff Australia Pty Ltd regarding commitments at Woodville reservoir dated 30 March 2010;
 - e) Environmental Assessment of the modification to the Camellia and Rosehill Recycled Water project, prepared by Parsons Brinckerhoff Australia Pty Ltd and dated May 2010 and supplementary letter to the Department of Planning dated 18 June 2010 from Parsons Brinckerhoff Australia Pty Ltd providing additional information on matters considered inadequately addressed; and
 - f) the conditions of this approval.

2. Replacing existing condition 1.2 with new condition 1.2 as follows:

- 1.2 In the event of an inconsistency between:
- a) the conditions of this approval and any document listed from condition 1.1a) to 1.1e) inclusive, the conditions of this approval shall prevail to the extent of the inconsistency; and
 - b) any document listed from condition 1.1a) to 1.1e) inclusive, and any other document listed from 1.1a) to 1.1e) inclusive, the most recent document shall prevail to the extent of the inconsistency.

3. Replacing existing condition 6.3 c) with new condition 6.3 c) as follows:

- 6.3 c) a **Construction Noise and Vibration Management Plan** to manage noise and vibration impacts during construction of the pipeline, recycled water treatment plant, Woodville reservoir and Rosehill pumping station and to identify all feasible and reasonable noise and vibration mitigation measures. The Plan shall include, but not necessarily be limited to:
- i) details of all potentially affected sensitive receivers;
 - ii) the construction noise and vibration goals identified in the EA for construction periods greater than 26 weeks;
 - iii) specific activities to be conducted during the first hour of construction on Saturdays (7am to 8am) and measures to be incorporated to reduce noisy work during this specific time;
 - iv) where the objectives are predicted to be exceeded, an analysis of feasible and reasonable noise and vibration mitigation measures that will be implemented to reduce construction noise and vibration impacts;

- v) procedures for notifying residents of construction activities that are likely to affect their noise and vibration amenity; and
 - vi) procedures for consulting with Yennora and Old Guildford public schools, Alaadin Childcare Centre and the Guildford Arabic Baptist Church to ensure that formal examination periods (i.e. end of year or state-wide examinations), centre rest periods or church service times are taken into account when scheduling construction activities.
-
