Dear John

Re: Notification of Major Project Application – Lot 464 DP 1058778.

The Preliminary Environmental Assessment has been reviewed by this office and the Department has no objection to lodgement with the Department of Planning in accordance with the provisions of the Environment Planning and Assessment Act.

The Department has also forwarded its Key Issue requirements to the Department of Planning for use in the relevant Minister's requirements for the full Environmental Assessment report.

Please note that land previously referred to as Vacant Crown land has now been reserved across NSW; the relevant reference to lot 464 DP 1058778 is Part Parish Reserve 755952.

Yours sincerely

Helen Wheeler Senior Environmental Officer NSW Dept of Lands
