The competition will be know as Alfy's Cash for Christmas Giveaway.

LTPM/08/00566

To enter the competition an official entry form will be given to each customer on the purchase of goods or services with a minimum value of \$10.

Only one ticket to be issued per purchase in a participating business per visit. The official entry form is to be filled out by the customer and must be endorsed on the back of the ticket by way of an official stamp from the participating business. Entries submitted not carrying the official stamp will not be valid.

Six weekly draws of 8 separate \$100 gift vouchers will take place for each week of the six weeks of the Alfy's Cash for Christmas Giveaway promotion. These weekly draws will take place in the office of the Macleay Argus, 72-74 Elbow Street, West Kempsey at 4pm each Friday for six weeks commencing November 14, 2008. The Gift Vouchers can only be redeemed at the store named on the Gift Voucher and cannot be redeemed for cash. All Gift Vouchers are to be redeemed within 60 days from the conclusion of the promotion.

An officer of the Kempsey Shire Council will make each weekly gift voucher draw; any member of the public is welcome to attend all draws.

All winners of the weekly gift voucher draws will be re entered in the draw for the major prize. All winners will be notified by telephone and winners' names will be published in the Public Notices section of the Macleay Argus classified advertising section in the following week's Macleay Argus.

Employees of participating businesses are welcome to enter the draw but may only enter by making a purchase and completing an official entry form showing the official stamp of a participating business other than that of their employer.

The Major Prize Draw will take place in the Clyde Street Mall Kempsey on Thursday, December 18, 2008 at 10.30am.

The winner of the major draw of \$3,000 and two x \$1000 must spend the cash with participating businesses. EXPRESSIONS OF INTEREST

IN FOCUS GROUP ON

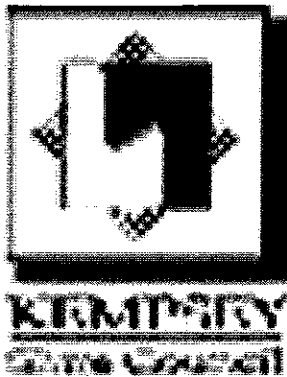

LEARN TO SURF TOUR GROUPS

Kempsey Shire Council's Corporate and Community Services Department invites interested members of the community to nominate as individuals and representatives of groups and businesses for potential membership in a focus group which will further develop guidelines for the operation of Surf Tour Group Operators in the Shire. You will need to have a genuine interest in producing outcomes that will enable the Learn to Surf businesses to operate harmoniously in the Shire, alongside residents and visitors.

The goals of the selection process for the focus group will be to assemble a focus group that represents a broad cross-section of our community and to draw on the community's relevant interests and expertise in this area. It is hoped that groups such as the Chamber of Commerce, retailers, board riders and other community groups will register their interest. The focus group functions to serve the best interests of the community as a whole.

The focus group meeting is scheduled for 10am Tuesday 9 December, 2008 and will be facilitated by Surfing Australia. However, you must register your expression of interest by 4.30pm, Friday 28 November 2008.

For further information and to register your interest please contact Megan Barber at Kempsey Shire Council on 65 663200

Kempsey Shire Council wishes to advise residents of South West Rocks that an exciting part of the construction of the South West Rocks Sewage Treatment Plant upgrade will be occurring on Tuesday, 18 November 2008.  
 A major concrete pour will be undertaken at the site on this day with over 100 concrete trucks required to complete the job. As a result, from 7am until approximately 5pm a continuous stream of trucks will be making their way along Belle O'Connor Street, to and from the site.  
 Council apologises for any inconvenience this additional traffic may cause.

 FOOTPATH RESTORATION

Intersection of Smith and Belgrave Streets

Kempsey Shire Council will be undertaking footpath restoration in Smith Street on the intersection of Smith and Belgrave Streets (in front of the Westpac Bank).

As part of this construction, it is proposed to replace current pavers with a coated asphalt surface commencing Saturday 15 November 2008 at 1pm. The initial work is expected to be completed on Sunday 16 November 2008 (subject to fine weather) and temporary pedestrian facilities will be installed, until the night time asphalt work is completed. While most work is scheduled to be completed outside normal CBD trading hours it may be necessary to schedule some minor work during trading hours.

There will be minimal disruption to vehicle traffic while the work is in progress, however traffic delays in peak periods heading east on Belgrave Street can be expected and motorists are advised to use alternative routes to avoid the intersection
