Dear Mr Haddad

Subject: Modification to crane operating hours for Application 07_0149

I refer to your letter of 18 June 2011 referring the above modification to the Planning Assessment Commission for determination under Ministerial delegation dated 28 May 2011.

Myself, Mr Richard Thorp and Mr Garry Payne constituted the Commission. I chaired the Commission.

The Commission considered the final assessment report and recommended conditions satisfactory and has approved the subject modification.

The signed instrument of approval and the file (1104702-1) are returned herewith.

Yours sincerely

Janet Thomson
Chair
