

Report

Report Type: Statement of Compliance
Development: Sydney University Abercrombie Precinct Business School
Date of Report: 11th July 2013

Introduction:

This statement has been prepared to accompany a Section 75W review. The statement is based on a review of the drawings A2200 – A2210 prepared by KannFinch.

Assessment:

A review of the drawings confirms that:

- Access is available through the principal entry
- Access is provided to and within all areas normally used by the occupants
- Lifts provide access between levels
- Stairs, ramps and walkways are able to comply with AS 1428.1.
- Wheelchair seating has been provided to the theatres
- Appropriate levels of carparking are provided
- Accessible sanitary facilities are provided and capable of compliance with AS 1428.1.
- Lifts are capable of compliance with AS 1735.12.

The level of access is no less than that provided in the original submission.

Conclusion:

I am satisfied that the revised design, as expressed on the drawings, will provide compliance with the access provisions of BCA 2013.
