Hi Rebecca

In regards to the Modification application, Roads and Maritime has no objections or requirements.

The developer has not complied with the terms of an executed Deed Containing Agreement with us, however our legal team has advised that we will be addressing this as a separate issue.

I apologise for the delay in responding. If you require a formal response letter just let me know.

Kind regards  
Kellee

Hello,

The below email was provided to RMS for information/comment on a recent modification for the 63 lot residential subdivision, Morisset Park (MP08\_0014).

Are you able to let me know if RMS are intending to provide comment on the proposed modification?

Thanks very much,  
Rebecca
