Subject: RE: 133 (Lot 62) Lenore Drive, Erskine Park.

Steve

With reference to your application to construct a truck turning bay and the battering of the property on the easement boundary.

Integral Energy will approve the application, in principle, subject to your supplying the information as requested at the meeting held at your offices yesterday 12th August 2009.

Included in the information to be supplied is the provision/construction of an access track along the easement.

Statutory clearances to be maintained at all times.

Provision of "Armco" style fencing along the easement as discussed.

The actual dimensions of the earthworks/batter around the structures or poles and within the easement.

Gates as deemed necessary within the easement.

Twenty four hour access to the easement and associated structures for maintenance, construction or emergency work.

Agreement to any other conditions which might apply upon receipt of the above information.

I will leave it up to you to provide this letter to the relevant council, Steve .
