SECTION 75W MODIFICATION: HONEYSUCKLE CENTRAL, LOT 25 HONEYSUCKLE DRIVE, NEWCASTLE (MP 08-0043 MOD 1)

Dear Mr Eveleigh,

I refer to your letter dated 18 May 2011 (Your reference: MP08_0043 MOD 1), received on 10 June 2011, regarding the subject modification to a previously approved project application forwarded to the Roads and Traffic Authority (RTA) for consideration. I also refer to the previous letter from the RTA dated 3 March 2009.

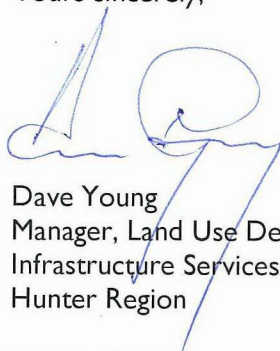

The RTA responded to the original project application in its letter dated 3 March 2009 and raised no matters for inclusion in the Notice of Approval. The RTA has reviewed the information provided for the Section 75W modification and notes the assessment concludes there will not be a significant change to the traffic impacts of the proposed development on the surrounding road network. Accordingly, the RTA has no objections to or requirements for the modification to the proposed development.

On the Minister's determination of this matter, it would be appreciated if a copy of the Project Approval is forwarded to the RTA for record and / or action purposes.

Please address future correspondence related to the Hunter Region to the RTA's Newcastle office.

If further advice is required, please contact me on (02) 4924 0240.

Yours sincerely,
