*Attention:* Mr D Smith

Dear Daniel

**SUBJECT: POTTS HILL BUSINESS PARK**

Landcom has requested that Sydney Water provide its confirmation to your Council of its commitment to maintain the proposed “entry statements” for the future Potts Hill Business Park.

The proposed entry statements will form part of the landscaping elements of both of the future road i.e. Nelson Short Street and William Holmes Street and it is confirmed that Sydney Water will be undertaking their on-going maintenance.

Should you have any further enquiries, please contact Sydney Water’s Senior Project Manager, Peter Byrne, on Ph. 8849 4785.

Yours faithfully

Gary Inberg  
Manager, Property
