**Attention:** Katelyn Symington

Dear Sir/Madam,

### Notification of Modification Application for Teralba Recycling Facility

Reference is made to correspondence dated 27 August 2019 seeking comments on the following modifications for the above State Significant Development in accordance with the *Environmental Planning and Assessment Act 1979*:

- Relocation of office, storage shed and car parking areas to improve operational safety and security
- Relocation of product bins and asphalt recycling plant and concrete batching plant to rationalise site layout and improve efficiency
- Relocation of Methane Gas Monitoring Wells
- Change of the access and change of intersection type to improve vehicle movement
- Change to location of weighbridges to improve truck queuing

The New South Wales Rural Fire Service (NSW RFS) has reviewed the information provided and advises that no objections are raised to the proposed modifications subject to compliance with the requirements of the NSW RFS correspondence dated 30 September 2010. It should be noted that 20 metre asset protection zones (APZs) are required to be maintained around the proposed buildings for the life of the development. These APZs are not shown on the submitted modified site plan.

If you have any queries regarding this advice, please contact Emma Jensen Development Assessment and Planning Officer, on 1300 NSW RFS.

Yours sincerely,

Kalpana Varghese
