Hi Hamish,

Apology for the delay in responding.

We have no specific comments or issues in respect of the modifications.

Regards

Mark

Subject: Integra Mine Complex - Modifications to Integra Underground Coal Project and Integra Open Cut Project

Good Morning

Integra Underground Coal Project MP 08_0101 – Modification 5
Integra Open Cut Project MP 08_0102 – Modification 6

Bloomfield Collieries Pty Limited and HV Coking Coal Pty Limited have submitted [modification](#) applications for the Integra Underground Coal Project (MP 08_0101) and the Integra Open Cut Project (MP 08_0101), located 10 kilometres north of Singleton, in the Singleton local government area.

The proposal involves the separation of the Integra Mine Complex consolidated project approval into two separate approvals for the Integra Open Cut Project and the Integra Underground Coal Project.

I have attached the Environmental Assessment (EA) which relates to both modification applications.

This applications will not be placed on exhibition, other than on the Department's webpage.

You are invited to comment on the EA and include advice on recommended conditions of approval. It would be appreciated if you could provide any comments by Thursday 3 March.

If you have any enquiries about this matter, please contact me on 9228 6373.

Kind regards,

Hamish Aiken PhD
