SYDNEY CRICKET AND SPORTS GROUND, MOORE PARK (SYDNEY LGA)**

Dear Mr Woodland,

I refer to your letter dated 31 October 2011 with regard to the abovementioned Major Project Section 75W application which was referred to the Roads and Maritime Services (RMS) for comment.

RMS has reviewed the abovementioned application and raises no objection to the modified proposal subject to the following comments to be incorporated in Department of Planning and Infrastructure's (DP&I) conditions of consent:

1. The proposed development will generate additional pedestrian movements in the area. Consideration should be given to ensuring pedestrian safety.
2. A Demolition and Construction Traffic Management Plan detailing construction vehicle routes, number of trucks, hours of operation, access arrangements and traffic control should be submitted to DP&I for approval, prior to the issue of a construction certificate.

If you wish to discuss this matter further, please contact Sevda Huseyin on (02) 8849 2914.

Regards,
