Subject: Gloucester Gas Project - modification 1 - C&PG memorandum
CC: <steve.cozens@dwe.nsw.gov.au>

hi Clay,

Steve Cozens had referred this modification to OCSG.

I have perused the application and confirm that the Office of Coal Seam Gas has no comments or issues on the modification proposed which are substantially related to pipeline routing and appears not significantly affecting the administration of the Petroleum (Onshore) Act authorities of the Stage 1 project.

regards
