Hi Andrew

OEH will not be providing any comments on this modification application.

I have however referred it to Greg Sheehy, Manager Sydney Industry, EPA.

Regards, Marnie

Minto Malting and Grain Project
Proposed Section 75W Modification (MP 08_0157 MOD 2)

Planning and Infrastructure has received an application from Joe White Maltings Pty Ltd to modify the project approval for the Minto Malting and Grain Project at Stonny Batter Road, Minto in the Campbelltown local government area.

The proposed modification involves the construction of twelve (12) new steel silos to increase malt and grain storage capacity at the site. There would be no change to the approved import, production or export limits of the facility. The modification application is to be assessed and determined under Section 75W of the *Environmental Planning and Assessment Act 1979*.

A copy of the Environmental Assessment for the proposal is available at:
http://majorprojects.planning.nsw.gov.au/index.pl?
action=view_job&job_id=6444

A hard copy was sent to you directly on 3/4/13.

You are invited to make a submission or provide recommended conditions, by **Thursday 17 April 2014**. A submission by way of objection must set out the reason for objection.

If you have any questions, please contact Andrew Hartcher myself on 9228 6503.
