PROPOSED SECTION 75W MODIFICATION (MP08_0157 MOD 2)**

Dear Mr Chris,

Reference is made to your correspondence dated 4 April 2014 with regard to the abovementioned Section 75W modification, which was referred to Roads and Maritime Services (RMS) for comment in accordance with Schedule 3 of the *State Environmental Planning Policy (infrastructure) 2007*.

RMS has reviewed the development application and raises no objection subject to a Construction Traffic Management Plan (TMP) detailing construction vehicle routes, number of trucks, hours of operation, access arrangements and traffic control being submitted to Council for approval prior to the issue of the Construction Certificate.

Should you require any further clarification in this matter, please do not hesitate to contact Stella Qu on 02 8849 2520 or via email at Stella.Qu@rms.nsw.gov.au.

Yours sincerely,

Stella Qu
