Dear Ms Sommer,

Cobaki Residential Development – Open Space - Modification

I refer to your letter dated 31 July 2014 requesting the Service's comments in relation to the above proposal.

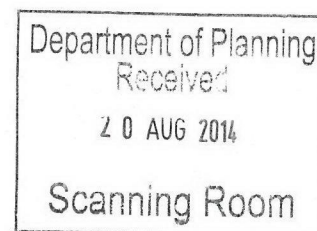

The Service understands the proposed modification seeks approval to include filling of the Southern Special Purpose Precinct in conjunction with the bulk earthworks associated with the adjoining Cobaki Parkway and to extend the Precinct 9 Borrow Area.

The Service has reviewed the plans and documents received for the proposed modification and subsequently raises no concerns or issues in relation to bush fire.

For any enquiries regarding this correspondence please contact Paul Creenaune on 6691 0400.

Yours faithfully,

Alan Bawden
