Dear Mr Young

**Re Proposed modification to the Woomargama Bypass (MP08\_0237 MOD1)**

Thank you for your letter dated 15 June 2011 seeking comments from the Office of Environment and Heritage (OEH) about a proposed modification to the Woomargama Bypass (MP08\_0237 MOD1) for construction of twin 128 metre four span bridges at Mountain Creek.

We have reviewed the information provided with the modification request and raise no objection to the modification. However, if a thorough technical assessment and/or review is required we recommend that an independent consultant be commissioned to undertake a peer review of the proposed modification.

Yours sincerely
