

### **23-37 Lindfield Avenue and 11 Havilah Lane**

#### **Mixed Use Development Loading Dock Management Strategy**

Once end users of the development are determined and prior to the issue of an Occupation Certificate, a loading dock management plan will be provided to the Department of Planning and Infrastructure which will provide details in regard to the following:

- hours of operation;
- noise management;
- light spill management;
- vehicular and pedestrian access management;
- safety and security management;
- maintenance; and
- on-going review requirements.
