Construction Air Quality Management Plan**

I refer to the Construction Air Quality Management Plan (CAQMP) submitted to the Department as required under condition F21(g) of Schedule F of MP08_0252 for the Flyer's Creek Wind Farm.

The Department has carefully reviewed the CAQMP and is satisfied that the plan generally meets the requirements of the condition.

Accordingly, the Secretary has approved the *Flyer's Creek Wind Farm Project Construction Air Quality Management Plan* (Revision D, dated 5 May 2020). Please ensure that the approved plan is placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact May Patterson on 02 8275 1190 or may.patterson@planning.nsw.gov.au.

Yours sincerely
