Dear Megan,

**Flyer's Creek Wind Farm (MP08_0252)
Design and Landscape Plan**

I refer to the Design and Landscape Plan submitted to the Department as required under condition D26 of Schedule D of MP08_0252 for the Flyer's Creek Wind Farm.

The Department has carefully reviewed the plan and is satisfied that it generally meets the requirements of the condition.

Accordingly, the Secretary has approved the *Design and Landscape Plan* (Revision E, dated 12 August 2020).

The Department notes that the plan will need to be updated once the final substation and switching station plans are approved by the Secretary.

Please also ensure that the approved plan is placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact May Patterson on 8275 1190 or may.patterson@planning.nsw.gov.au.

Yours sincerely
