Dear Ms Chapman,

RE: Part 3A – Application Number MP09_0006

I, Kim (name) of clayton cres Rutherford
(address) oppose the application to expand National Ceramic Industries Australia's tile
factory if the approval will allow the tile factory to emit more pollution into our
environment.

I am extremely concerned with the amount of odour, noise, fluoride and air pollution in the
Rutherford area and oppose the government allowing more pollution to enter our
environment.

I also call on government to monitor pollution on a regular basis and to prosecute the
companies that are polluting our environment.

[Signature] (signature) 02) 49329310 .

The Pollution here does get quite bad. When you walk outside some mornings and nearly choke the smell is that bad. How is that affecting our children? Most mornings the car windows have to be washed because of the dirt layer on them. If anything the tile factory needs to be given stricter conditions for what they are doing to this suburb. Do not let them expand and destroy Rutherford. If the General public here knew more about this there certainly would be an uproar.
