The supply Authorities in respect of Energy Australia and Telstra have been notified of the development. Responses and advice are as follows :-

**Peter Johnson Building 702-730 Harris Street Ultimo**

**Telstra:** Project Ref number 3181032 / 12027658

The above number represents the registration and confirmation of the project. The method of advising Telstra of a project and obtaining confirmation is via Telstra's own website system. The Telstra registration is completed through –

[www.telstrasmartcommunity.com.au](http://www.telstrasmartcommunity.com.au)

Telstra have been advised of the site location and nominated densities of population relating to communications needs.

**Energy Australia**

Energy Australia Mr Ross McLeay Engineer planning has confirmed that the site is supplied from an onsite Chamber substation which is located below Street level in relation to Harris Street. The Substation is identified as Energy Australia Substation S7357. Energy Australia has advised that there is sufficient capacity to supply the development from the existing chamber substation.

Yours faithfully
