**RE: Meriton Towers Chatswood – Objection to Modification 6**

Dear Hon. Brad Hazzard  
MP, Minister for Planning and Infrastructure

On behalf of all the staff working at APPco, Level 5, 8 Thomas Street, we would like to express our objection to Modification 6 to the Meriton Towers. We object to Tower 1 being increased from 32 to 47 storeys and Tower 2 being increased from 29 to 37 storeys.

Due to this construction, and the construction alongside it, we have lost our beautiful views from our office building windows. We object to the fact that there will be a huge increase in traffic in our precinct and the loss of sunlight in our office and surrounding streets.

It is too late to object to the construction, but we do object to the Modification 6.

Sincerely yours  
Carla Tardini
