Hi Sally,

It is \$5000 exclusive of GST (not GST will apply). Unfortunately the department does not generate an invoice until an application is lodged (very unhelpful I know). Essentially you can pay the fee at the time you lodge or you can wait for us to generate an invoice and then you can come in and pay it within 14 days.

In terms of the CIV, you will need to confirm with your QS what the cost of the project will be inclusive of the proposed modifications. As per our telephone conversation this morning, the department will accept an updated letter from your QS verifying the revised cost of works.

Kind regards,

Kate

Thanks Kate

Just to confirm proposed fee for 75W \$5,000 – is this a fee that does not attract any GST - eg a GST exclusive cost?

Is it possible to get invoice or something more formal with which to get cheque raised internally?

I have a couple of queries on the form if you can assist?

- On form it notes on top right hand corner of Pg 1 – modification no. – is that no. 1?
- Assume Capital Investment value to be noted on pg 2 can be nil?

Thanks

Sally

Subject: Fees

Hi Sally,

Sorry for the late reply, Heather and Cameron have been in and out of the office the last two weeks so has been hard to pin one of them down. I spoke with Cameron this morning and the fee for the s.75W will be 5k.

Kind regards,

Kate
