Re: PROPOSED 321 LOT SUBDIVISION WITH 317 RESIDENTIAL LOTS AT LOT 1 DP 304649, LOT 1 DP 175235, LOT 1 DP 781687, LOT 2 DP 778727, LOT 1 DP 781697, LOT 1 DP 169490, LOTS 40 & 43 DP 254416 FRASER DRIVE, TERRANORA MP09_0166, Altitude Aspire

Please accept this as an individual submission of support for Altitude Aspire.

My Opinion:

SOUNDS PROGRESSIVE.

I have ticked ☒ the elements of the Altitude Aspire application that I support

- ☒ Landscaped streets and substantial areas of open space
- ☒ Areas of environmental significance will be protected and rehabilitated
- ☒ Cycle and pedestrian friendly pathways
- ☐ The initial intersection on Fraser Drive is temporary and it will become lots
- ☒ Aspire welcomes locals to use the parks and pathways
- ☐ Aspire will contribute to construction of Broadwater Parkway linking Fraser Drive to Mahers Lane
- ☒ Rainwater tanks will enable re-use of stormwater and save drinking water
- ☒ The central main stormwater overland flow path will be rehabilitated and enhanced, forming part of the main pedestrian corridor linking to Broadwater Parkway
- ☐ The project will deliver a range of housing to satisfy continuing growth and demand
