LAND OWNERS CONSENT FOR APPLICATION TO MODIFY MP 09_0175 (MODIFICATION 2) FOR THE KARUAH EAST QUARRY

Reference is made to your email dated 6 July 2018, seeking land owners consent from Roads and Maritime Services ('Roads and Maritime') for the purposes of submitting an application to modify MP 09_0175 (Modification 2) in relation to the Karuah East Quarry site.

It is understood that the proposed modification has no direct impact on Roads and Maritime land. However, Roads and Maritime land owners consent is being sought as the original consent relied on access over Roads and Maritime Land.

Roads and Maritime grants owners consent for the lodgement of Modification 2 of MP 09_0175 as it affects the following subject lots currently in freehold ownership of Roads and Maritime:

- Lot 202 DP 1042537
- Lot 26 DP 1024341
- Lot 27 DP 1024341
- Lot 16 DP 1024654
- Lot 17 DP 1024564

Yours sincerely
