Dear Rose-Anne

Re: Boggabri Coal Mine – Modification 7 - Review of Environmental Assessment
Dev Ref: MP 09_0182 MOD7

I refer to your email dated 4 October 2018 inviting the Division of Resources & Geoscience (the Division) to provide comments on the Boggabri Coal Mine Modification 7 (the Project) submitted by Boggabri Coal Operations Pty Ltd (the Proponent).

The relevant units internal to the Division have been consulted where required in generating this advice. Further, the Department of Planning and Environment - Planning Services Division and the Proponent should be aware that matters pertaining to rehabilitation, final landform, environmental impacts of subsidence, subsidence management, mine operator and safety are assumed and assessed by the Resources Regulator.

The Division has reviewed the information supplied in relation to the abovementioned Project and acknowledges that there are no proposed changes to the approved mining areas, ore processing rate, mine life or mining methods. There is also no change to the Boggabri Coal Mine ore resource/reserves.

The Division has no further comments at this time.

For enquiries regarding this matter please contact Mr Adam W. Banister, Senior Advisor Assessment Coordination on (02) 4063 6534 or assessment.coordination@planning.nsw.gov.au

Yours sincerely

Mr. Matthew Gagan
