Re: 6-16 Atchison Street, St Leonards

Dear Adam,

Please be advised that as per your enquiry relating to the vehicle compliance, we have endeavoured to locate a suitable vehicle by contacting waste management companies:

- Remondis
- SITA
- JJ Richards; and
- Veolia

None of these companies possess a Small Rigid Vehicle (maximum 6.4m long) that provides waste collection services; the smallest size available would be a Medium Rigid Vehicle. If you wish to discuss this further, please feel welcome to contact me on 1300 761 610.

Kind Regards,

Rocco Ferro
General Manager
Pacific Building Management Group
