Dear Mr Haddad

**Determination of the modification application
for 120-128 Herring Road, Macquarie Park (Mod 3)**

The above modification application was referred to the NSW Planning Assessment Commission for determination under Ministerial delegation.

I note Ryde City Council has not make a submission and no public submissions were received.

I have carefully considered the application and the Department's assessment report and associated documents. I am satisfied that the recommendation is reasonable and the modification application is approved as recommended. The file and signed instrument of approval are returned.
