

# APPENDIX B

Study team

This EA was prepared by EMM with the assistance of a number of external specialists. Members of the study team, their roles and qualifications are listed below.

**Table B.1 Study team**

| Role                                | Person                                         | Qualifications                   |
|-------------------------------------|------------------------------------------------|----------------------------------|
| Project director                    | Paul Mitchell                                  | BA, MRegPlan, MAppSc             |
| Project manager                     | Philip Towler                                  | BSc (Hons), PhD                  |
| Internal review                     | Bob McCotter                                   | BEng (Hons), Dip BldSc           |
|                                     | Najah Ishac                                    | BEng MEngSc                      |
| Contributing authors                | Robert Janssen                                 | BSc, DipBus                      |
|                                     | Ross Aitken-Smith                              | BBusMan, MEnvMan                 |
|                                     | Marcus Jennejohn                               | BA (Hons), GradDipGIS, MEnvPlan  |
|                                     | John Arnold                                    | BA (Hons), BTP, Dip ProMan       |
|                                     | Michael Jones (Erias Group)                    | BSc, MAppSc                      |
| EA editor                           | Clare Gerson (By Words)                        | BA                               |
| Aboriginal and historic heritage    | Neville Baker                                  | BA (Hons)                        |
|                                     | Rebecca Moore                                  | BA (Hons)                        |
| Agriculture and mine rehabilitation | Rob Masters (GSSE)                             | MSc, DipGeo, DipAppSc            |
|                                     | Adele Calandra (GSSE)                          | BSc, MSc (Hons)                  |
| Air quality                         | Yvonne Scorgie (ENVIRON)                       | MSc                              |
|                                     | Scott Fishwick (ENVIRON)                       | BSc                              |
| Bushfire risks                      | Mark Roberts                                   | BSc, DipEnvStud                  |
| Ecology (terrestrial)               | Cassandra Thompson                             | BSc, MAppSc                      |
|                                     | Katie Whiting                                  | BSc, MWldMgt                     |
|                                     | Renae Baker                                    | BSc (Hons)                       |
|                                     | Isobel Crawford (Australian Botanical Surveys) | BA, DipLib, BAppSc               |
|                                     | Glenn Hoyer (Fly By Night Bat Surveys)         | BEng, BSc (Hons)                 |
|                                     | Brendan Ryan (OMVI Ecological)                 | BSc, MSc                         |
| Ecology (aquatic)                   | Peggy O'Donnell (Cardno)                       | BA, BSc, PhD                     |
|                                     | Arthur Dye (Cardno)                            | MSc, MPhil, PhD                  |
|                                     | Theresa Dye (Cardno)                           | BSc (Hons), PhD                  |
| Geochemistry                        | Andrew Dawkins (GeoTerra)                      | BSc                              |
| Economics                           | Rob Gillespie (Gillespie Economics)            | BSc, BEc, MPlan, MEc             |
| Hazard analysis                     | Mark Roberts                                   | BSc, DipEnvStud                  |
| Ground and surface water            | Leah Gleeson (Parsons Brinkerhoff)             | BEng (Hons)                      |
|                                     | Wendy McLean (Parsons Brinkerhoff)             | BSc (Hons), PhD                  |
|                                     | Stuart Brown (Parsons Brinkerhoff)             | BSc (Hons), BSc (Hons), MSc, PhD |
|                                     | Liz Webb (Parsons Brinkerhoff)                 | BAppSc, MEng                     |
|                                     | Carlos Olles (Parsons Brinkerhoff)             | BEng (Hons), GradDip             |
|                                     | Malcolm Graham (Parsons Brinkerhoff)           | BSc (Hons), MSc                  |
|                                     | Leigh Doeleman (Parsons Brinkerhoff)           | BEng (Hons)                      |
|                                     | Eric Lam (Parsons Brinkerhoff)                 | BEng, PhD, DipEnvSt              |
|                                     | Daniel Evans (Parsons Brinkerhoff)             | BSc (Hons), PhD                  |
|                                     | Nicole Harcombe (Parsons Brinkerhoff)          | BEnvEng, BSc                     |

**Table B.1**      **Study team (Cont'd)**

| <b>Role</b>                  | <b>Person</b>                         | <b>Qualifications</b>          |
|------------------------------|---------------------------------------|--------------------------------|
| Noise and vibration          | Karen Lancaster (Parsons Brinkerhoff) | MEng, BE                       |
|                              | Rob Leslie (Parsons Brinkerhoff)      | BA, BAI, MSc                   |
|                              | Aditya Jha (Parsons Brinkerhoff)      | BEng (Hons), ME, PhD           |
|                              | Oliver Muller                         | BSc                            |
|                              | Daniel Weston                         | BEng, MDesSc                   |
| Road and rail transport      | Tim Brooker                           | BSc, PhD                       |
