Dear Ms Masters,

**Re: Woodlawn Bioreactor Leachate Treatment Plant
DA 31-02-99 MOD 3 and MP 10_0012 MOD 2**

Veolia Environmental Services (Australia) Pty Ltd ("**Veolia**") refers to proposed modification application ("**Modification Application**") for development approval DA 31-02-99 and MP 10_0012 for Woodlawn Bioreactor submitted to the Department of Planning and Environment (DPE) in April 2017.

Since the Modification Application was placed on exhibition, some changes have been made to the proposal. On the basis of the comments received from government agencies, request for increasing the regional waste limit for Woodlawn Bioreactor (Condition 6 Schedule 3 of 10_0012) has been withdrawn from the scope of the planning modification. Veolia will write separately to DPE in regards to regional waste request.

Should you require further information regarding this submission, please contact the undersigned on (02) 9841 2902.

Yours sincerely,
