21 April Website feedback form		✓		COMMENT: I would like pdf copies of the proposed architectural plans. UC emailed following response: Please be advised that the master plan schemes will be uploaded to the website following the consultation events
21 April Email				Unable to send Stakeholder Letter.
21 April Email			✓	Response to Stakeholder Letter. Thank you for invitations. The Paddington Society would be interested to understand who is the landscape architect for the project. We would also be interested to know who is the heritage landscape specialist for the project and who is the arborist? Is a copy of the updated Conservation Management Plan available to the Society as a precursor to the Open Day? UC responded with following received from Paul Di Cristo. A landscape architect will only be appointed following resolution of the master plan process. Tree Wise Men Australia Pty Ltd have provided preliminary arboreal advice on the project. The Conservation Management Plan is still in draft and will only be circulated once relevant authorities and government agencies have had an opportunity to review the document.
