I completely object to the development of the Scottish Hospital. As the direct neighbour and owner of the single storey cottage adjacent to the proposed site our house is not mentioned on any of the floor or site plans, sections or elevations. We are a single storey cottage and the design of the terrace apartments is completely unacceptable. It has now been designed so that the apartments and rooms look into our backyard, pool and bedrooms.

UNACCEPTABLE!!!!

The shadow diagrams (which we are not drawn on) indicate additional overshadowing in winter onto our backyard.

UNACCEPTABLE!!!!

The design is completely out of keeping with Paddington.

I accept that the the Scottish hospital will be developed but do not accept the design. I do not want but currently private backyard to be completely destroyed by people overlooking into my backyard from their balconys and windows.

The scale of the overall development is too big and not reflective of the surrounding architecture and urban scape.

Name: Natalie Miller

Address:

4 Cooper Street
Paddington
